

Train2Sustain – developing capacity to teach sustainability in VET

Learning Activity nr. 06

Sustainable occupations news / A report about sustainability

Projektnummer: 2020-1-FI01-KA202-066632

ACTIVITY NAME	A06 Sustainable occupations news / A report about sustainability
OBJECTIVES	<ul style="list-style-type: none"> ▪ Search news, articles or facts ▪ Write a posting, an article, or statement about sustainability about your own occupation ▪ Use reliable sources ▪ Use some social media channel or website/blog
DESCRIPTION	<p>Hint that theory about SDGs can be found in the learning materials</p> <p>1. Explain the activity to the students (briefing) Students need to search for data about sustainable experiences and compare that data with their own. The data can be found from multiple sources. It is free to choose the platform to publish the posting. If they choose to make an article or a blog posting, they can define the amount of characters and pictures in the posting.</p> <p>2. Run the activity</p> <ol style="list-style-type: none"> 1. Tell the class the instructions: <ol style="list-style-type: none"> a. Search the data. Use reliable sources. b. Compare the information with you own occupation or experience. c. Choose the platform which suites best for you and you report. d. Set up an account. e. Write a description or summary if needed f. Publish the posting on the chosen platform g. Follow the analytics, comments and likings. <p>3. Evaluation (debriefing)</p> <p>Teacher arranges another class where to report about the followed analytics, actions, comments and likings.</p> <p>All students give feedback of each others work: What kind of sustainable practices did you find in the postings?</p> <p>Teacher can ask a few questions about the main things about sustainability, for example:</p> <ol style="list-style-type: none"> 1. Which SDG:s did you include in your report? 2. Did you find any new elements besides your own experience? 3. What did you learn about sustainability? 4. Will you be changing something after doing the report? Why?
